3 Select your **Venting**

Accessories

Hearth Pads*

Convenient and stylish, Eco-Choice hearth pads are designed to protect existing flooring while perfectly accenting these freestanding stoves. Made from a non-combustible substrate that fastens directly to a steel frame, these hearth pads offer quick and easy installation with no removal of carpeting required. Choose from two sizes and colors to ensure a perfect fit in your space.

- Available in 2 colors: Carmel & Tartara
- 40"w x 40"d

Carmel

Tartara

*Hearth pads available at select locations.

Intertek 4002162

Outside Air Kit

heatilator® ECOCHOICE™
pellet-burning stoves

Heatilator ECO CHOICE™

Add beauty, style, convenience and warmth to your room.

Value & Dependability
The Eco-Choice Advantage

Heatilator Eco-Choice pellet stoves combine dependability and value from a brand you know and trust for hearth products. Featuring simple technology that's easy to operate and maintain, Heatilator Eco-Choice stoves provide clean and efficient heat. With a simple design plus quality you can see and feel, these freestanding stoves will deliver warmth and comfort in any room.

Save money while being green

Reduce your heating bills and live green by utilizing renewable fuels. Pellet fuel is the cleanest burning biomass fuel available.

Easy to use and maintain

Eco-Choice pellet stoves have large hoppers to hold plenty of fuel, include large ash pans and a fully-opening firepot bottom for easy maintenance.

It's a Heatilator

Manufactured in the USA, by the world's leading hearth company since 1927- known for value and dependability.

Your Heatilator Eco-Choice dealer is:

Limited Warranty†

Heatilator Eco-Choice provides a 5 year warranty on the most important aspects: firebox and heat exchanger.

[1] See your local authorized Heatilator Eco-Choice dealer for help in determining the product that best suits your heating needs based on climate and home efficiency.

[2] For complete warranty details, see your Heatilator Eco-Choice dealer.

Refer to installation manual for detailed specifications on installing this product. Heatilator Eco-Choice reserves the right to update units periodically. The flame and ember appearance may vary based on the type of fuel burned and the venting configuration used. Fuel density and pellet shape may affect hopper capacity.

Stove and insert surfaces get extremely HOT and can cause severe burns if touched. Keep a safe distance away. To learn more visit: **www.fireplaces.com/fireplace-safety**
